No more delay in watch, clock or jewelry repairing at Stevens, all work now done promptly and in a first-class manner. The Baptist Sunday school held a picnic in E. H. Person's grove northwest of town, last Friday. A very nice time was had by all present. Fred Grimm reported the shipment of three cars of hogs to Chicago, this week, Henry Dagle furnished 90 and J. T. Greenfield 47 of the lot shipped. Rev. C. H. Secombe will preach at the Congregational church next Sunday at 10:45 a. m. and 8 p. m. Subject of the evening sermon: "A Great Man's Downfall". Fred Riddlebarger and Vint Lsarned took a little spin on their bicycles, Monday, going over to lake Okoboji. They made about 90 miles in seven or eight hours. The next excursion for Red River Valley, Wilkin Co., Minn., leaves Sibley, Tuesday, Aug. 31. For rates, etc., apply to W. W. Turnbull, Local Agent, G. N. R. R. Lands. P. L. Peasley shipped a car of hogs to Chicago last Saturday, and will ship another this week. The hog market from \$8.30 to \$8.40, is bringing in lots of porkers. Ralph Doden is getting quite "foxy," or at least he is the owner of a pet fox which he has tied up at the elevator. The fox is about full grown and is a fine specimen. The soprano solo, by Mrs. Carmichael with cornet obligato, in connection with the anthem at the Congregational church last Sunday morning, was a beautiful thing. Strayed from my slaughter house yard on last Friday morning, a black and white spotted steer, weight about 900 pounds. Liberal reward given for recovery. R. RICHARDSON. The Baptist Young People will give a building social in the C. O. D. building tomorrow evening. All should turn out and see what an enjoyable time it is to be had at these socials.

Having secured the services of Mr. Harry Gansenthaler, a first class watchmaker and graduate optician, of Cincinnati, Ohio, we are prepared to do all watch, clock, and jewelry repairing promptly. Eyes examined and spectacles fitted free. Satisfaction guaranteed. W. B. STEVENS. The Rock Rapids base ball management failed to keep their promise with Adrian last Sunday. The Adrian team played at the Rapids two days but the Rapids at Adrian—nit. Probably it was impossible for the Rock Rapids umpire to get away. Everybody will see the large ad. of Webb & Boors on first page in this issue of the TRIBUNE. This firm is pushing Minnesota lands right along now. A trip up into that country will convince anyone that the land is cheap and of a quality unsurpassed in any part of the United States. The Christian Endeavor society held a social at the home of E. M. Taylor Tuesday evening, which was largely attended by young people. Chewing gum and mulling it into different effects, was one of the novel features of the evening. E. M. Taylor with his gum billy-goat won first prize. "One of our exchanges tells of a widower who put upon the tombstone of his wife this beautiful sentiment: "The light of my life is gone." In a short time he married, and added to the inscription on the stone, "but I have struck another match."

The Osceola county Sunday school association rally will be held in Sibley on Saturday, August 21st. It is desired that all the Sunday schools meet at Memorial hall in the forenoon, to form a line of march to the tent in the park, the procession starting at 10 o'clock. At the park a program will be rendered lasting till noon, followed by basket dinner. Tuesday morning, a man claiming to be a book agent, hired a team for the day at Gill's barn. Not returning that evening as expected, and when the team and man did not show up the next day, Joe used the telephone and located the team at Primger, where they had been sold to a harness dealer. But the harness man was not sure he had a good thing, so he sold the team to a farmer. Mr. Gill will go down to-day to prove his claim and bring back the team. The Rock Rapids papers set up a terrible howl over the two defeats of their pet ball team at Sibley last week. They are particularly severe on Elmer Smalley as umpire. While it is true Smalley changed umpires for the second game—for good reasons—their assertions as to Mr. Smalley are without foundation. There was not a kick substantiated by facts, while at Rock Rapids their own people called their pet umpire "rotten," "rubber," and other pleasing epithets. As to playing the fifth game on neutral grounds, it was the Rapids manager that flunked out. N. Madison, who lives about ten miles southeast of Sibley, was quite severely kicked by a horse Sunday morning. He is hardly able to tell how it happened. He and his boy were leading the horses out to water and it is supposed one of them nipped the other when it kicked with both feet, striking him on the cheek and shoulder. He was knocked senseless, and as we understand it, did not fully recover consciousness until Monday morning. There seems to be no bones broken, and as it is not in a very vital place it is thought he will soon recover after he gets over the shock. It will probably be quite sore for some time. The Sibley Board of Aldermen were called together Tuesday evening in special session to advise in the matter of the damage suit brought by Mrs. L. B. Barnes, against the town of Sibley, for injuries sustained in a fall on the sidewalk in front of Mrs. P. Bailey's residence. Mrs. Barnes has filed a claim for \$6,500.00 against the town, and the case is expected to come up in the next term of court which convenes in Sibley on Monday August 30th. Mayor Wilburn, K. D. Daulup and P. Y. Locke were appointed a committee to look up the legal points and consult with an attorney to see if a town is liable under the circumstances. C. M. Brooks has been retained by the town, and it is more than probable that the case will come up for trial.

Sibley presented somewhat of a lively appearance last Saturday evening, especially around Brown & Chambers corner. Cad Morrison, the drayman, was driving down the street with a load of trunks and traps, when turning out for a buggy in front of A. Romey's residence he met a team going up street at full speed without any driver. The loose team turned out at the same time to pass the buggy and in doing so struck Cad's team square in the face and all four horses were piled up in a heap. The shock raised Cad and Guy Ripley clear off the seat and they thought an earthquake had opened up. There was considerable trouble in extracting the horses, Cad's harness being cut in several places. The horses escaped without any serious injury, and there was but slight damage done to the wagons. It was a narrow escape all around considering the circumstances. Following is the list of petit jurors drawn for the next term of court which convenes in Sibley, Monday, August 30: W. McBride, " " " " S. P. Wright, " " " " Wm. Filk, Horton " " " " C. H. Hawkins, Viola " " " " J. S. Neff, Gilman " " " " A. V. Stevens, Osheyedan " " " " John Logan, Allison " " " " D. J. Smith, Osheyedan " " " " Fred A. King, Viola " " " " David Loger, Horton " " " " A. C. Copeland, Fairview " " " " Mike Zenzon, Gilman " " " " John Frey, Baker " " " " Ferd Bohrens, Viola " " " " C. E. Parder, Holman " " " " A. Ditto, Holman " " " " O. C. Staplin, Holman " " " " Chas. Beissel, Gilman " " " " B. B. The premium list for the twenty-third annual fair of the Pioneer Agricultural society, which will be held at Sibley on September 14, 15 and 16, has been issued. While the premiums offered are not as large as some think they should be, yet they foot up to a larger aggregate than the receipts generally warrant. It always seemed to us that it was not so much the intrinsic value of the premium in a county fair that should draw out competition, as it was the bringing together of the different kinds of stock, cereals and vegetables that a comparison might be made as to the most profitable for the farmer to raise. If each farmer and citizen who has some kind of stock that he thinks surpasses anything in his neighborhood and takes a pride in it, he should place it on exhibition without the thought of the money compensation. If this was done Osceola county would have a fair that would surpass the oldest in the state. There is plenty of material in the county all most every year that would make a fine display if the owners could only be induced to bring it out. Let the management supply the amusing features and the stock county fill up the floral hall and stock pens, then we will have a fair that everybody will want to see. Last year the two balloon ascensions were the finest ever seen any place. If people will turn out sufficient that management can afford it, there will always be attractions to pay them for the trouble of bringing in their portions of the exhibit.

A Card. Sibley, Iowa, August 15, 1897. To the people of Sibley and Osceola county: I wish to thank you for your friendship and liberal patronage extended me in the past five years of practice of medicine in your community. I feel that you have done all for me that any people could have done, and I leave you with nothing but the most friendly feeling towards everyone in your community. And I beg you not to judge me harshly in selling my practice and leaving Sibley. I make mention of this because it has been intimated by someone in our neighboring towns, that my intentions were to go to a city. This is wrong, as I have not the slightest idea where I am going to locate. Furthermore it is a very serious matter to pick up and leave as good a practice as I am about leaving in Sibley. And I can assure you that it was no effort on my part that this step has been taken; but for reasons that are not explainable through a newspaper, I must be satisfied with thanking the people of Sibley for their kindness and regret very much to be obliged to leave you. Yours Respectfully, G. W. CRAWHALL.
